

PROFESSIONAL EXPERIENCE					21 months
Standard Chartered		Development Engineer			Aug '24 – May '26
Business Impact	- Saved \$150K+ in annual SharePoint license costs, replacing existing workflows with internal file-sharing solution - Reduced \$70K+ in Tableau license costs, laying technical groundwork for team of 15 for dashboards migration - Eliminated \$35K+ in license costs by migrating 100+ business-critical workflows from Control-M to Airflow - Drove 83% reduction in data processing time (2min → 20sec) by leading development of a data ingestion tool - Reduced manual analysis & reporting by 60% for 100+ daily users through development of a self-service platform				
Technical Impact	- Reduced process failures by 80% across 14 business-critical trade workflows, implementing readiness checks - Developed a real-time data gateway connecting 10+ systems across 3 channels, processing 100+ messages/sec - Architected 4 reusable CI/CD pipelines, cutting deployment effort 70% via end-to-end production automation - Reduced data inconsistencies 94% (0.9% → 0.05%), unifying 3 separate pipelines into 1-step ingestion solution				
Leadership	- Mentored 2 new hires for 6+ months, conducting 20+ KT sessions and code reviews to accelerate onboarding - Coordinated 5+ cross-functional teams across 4 releases to deliver workflows with zero production rollbacks - Pitched 3 proposals for automation to skip-level management, driving 1 to production with 90% efficiency gain Led full development lifecycle (ideation, design, development & deployment) of 2 internal enterprise solutions				
Initiatives	- Improved Excel workflow efficiency by 80% across 5 processes as a part of Financial Markets automation drive - Drove internal tool adoption over third-party across 3 teams, as 1/5 selected for division cost-optimization drive				
INTERNSHIPS					May '23 – Jul '23
Standard Chartered (PPO)	- Architected SCPay Global Clearance Gateway, automating batch processing for 50K+ daily payment requests - Improved RTGS payments query response time by 60%, implementing Kafka real-time caching in fast markets Won InnovateCIB hackathon among 100+ participants, developing AI solution to extract & visualize KYC data				
EDUCATION					
B.Tech.	IIT Kharagpur, Instrumentation Engg.	8.51/10	Minor in CSE ≥ 9/10 in 35/60 subjects	2024	
Class XII	Param Gyan Niketan, Gaya (CBSE)	94.6%	School Rank 2/57 students	2020	
Class X	Param Gyan Niketan, Gaya (CBSE)	90.5%	School Rank 5/64 students	2018	
SCHOLASTIC ACHIEVEMENTS					
Academics	- Completed Micro-Specialisation in Entrepreneurship and Innovation at IIT KGP (Grade: 9.31/10.0) - Secured 99.75%ile among 258K+ candidates in CAT 2025 (99.5%ile QA); Final admits to IIM A, B & C - Secured 99.18% percentile (AIR 9186) among 1M+ candidates in JEE Mains 2020 (99.76%ile in Physics) - Received Best Graduating Student Award among 57 Class XII graduates for academics and leadership				
Research Publication	Authored research in AI/ML Security, accepted & published at SPACE 2024 international conference - Proposed a novel framework for evasion attacks, achieving 97%+ success rate on encrypted ML models - Awarded 10/10 in Bachelor's Thesis for adapting a SOTA technique and validating across 2 frameworks				
Competitions (IIT KGP)	- Secured Gold (1/22+ teams) in Institute-level Data Analytics GC, representing RK Hall's 500+ boarders - Clinched Silver (2/22+ teams) in Institute-level Software Dev. Competition, representing 500+ boarders - Won Silver (2nd) in Excavate, national Data Science competition at COMPOSIT event of IIT Kharagpur				
POSITIONS OF RESPONSIBILITY					
AIESEC IIT KGP	Vice President	- As part of the 5-member Executive Body, devised and implemented growth strategies for 40+ members - Drove entity revenue to 210% of projected annual target by launching 3 new mkt. campaigns & 2 events - Established 4 cross-border partnerships (Egypt, Sri Lanka & Turkey), expanding the reach of exchanges Led organizing committee of Treasure Hunt event, achieving 100% participation (300+ registrations) - Represented local entity as Chief Delegate at National Conference with 1000+ members & 23+ entities Led a 6-member team streamlining exchange support for students and organizing 5 training bootcamps			
	Team Leader	- Acquired 4 MNC partnerships and 10,000+ registrations, leading flagship event's organising committee - Received Living Diversity Award for DEI contributions and mentoring 3 members through onboarding			
Head Boy	Represented 700+ students as Head Boy, coordinating with faculty & student leaders driving engagement				
EXTRA-CURRICULAR ACTIVITIES					
Sports	Winner (1/50+) in Singles & Runner-up (2/40+) in Men's Doubles at SC GBS Badminton Tournament - Secured Gold (1/22+ halls) in IIT Kharagpur's Institute-level GC Volleyball 2022, representing RK Hall				
Mentorship	Mentored college juniors through 10+ sessions & monthly one-on-ones on academics & career guidance				
Cultural	Represented RK Hall (500+ boarders) among 22+ halls in IIT KGP's Institute-level Short-Film Making				
School	Winner of School-level Science Exhibition (among 700+ students) and Debate representing Class IX				
Hobbies	Swimming	Badminton	Running
